“ We are so sorry to hear about the passing of AJ Matthews. It saddens our hearts to loose such a great friend who weathered us through good times and bad. I owe him not only the honor of being hired by him but honored more to grow a business relationship into one of a true, kind and good hearted friendship. I hold this to be so true and genuine because that is what AJ stood for; always a man of his word and an honest hard working, respected soul. We will greatly miss him, our talks together and definitely will leave me with only great memories of your father, brother & grandfather. Rest In Peace AJ.
