“ You were an excellent mother, always putting your children first. You lived your life for them. I know I will never love or care for them as you did but this I promise I will do everything within my power to always cherish your memory by loving them and caring for them. You will be looking down from heaven and I want you to always be proud of them as I continue where you left off.
R.I.P. My dearest Amanda gone but NEVER forgotten!!!
