*My dear sweet cousin. Angie was taken from us much too soon. I still see the little girl with slight little flipped up curls and all if us getting in trouble by Aileen and Moma for messing up Dennis and Angie's toys in their room. Playing outside, Angie and Dennis spending the night with us...Those beautiful blue eyes that sparkled just 2 weeks ago when she reached out to hug my neck. I will always remember just last Friday..the last words.. "I love you too" she said. You can rest in peace now little Angie.. we all love you.*
