“ *The only good memory I have, that I keep close to my soul. She would write me notes with her finger tips and she would hold me in her arms and write those notes until I fell asleep.. our bond n lov3 stayed together I wish I could hug her one more time and thank her for that lov3 she gave me without anything in return. She's the reason I am who I am today, that memory kept me strong and for that I can't thank her enough.*

“ *Debbie & Patricia, my heart hurts for you. You may not remember me but we spent a lot of time together as teens when you were in Atmore in that little block house just off 21. I was once married to your cousin, Edward.*
