“ For several summers in the 50's Aunt Bess welcomed my sister and I over to spend time on the beach, swimming in the community swimming pool. I learned to swim during one of those summers. We would be joined by Uncle Lee's niece and nephew and on each occasion we had the time of our lives eating ice cream, swimming, getting terrible sun burns. Those were some of the best summers of my childhood. They spoiled us rotten! Aunt Bess loved to have a great time. She was a lot of fun.
