“ I remember Mr Billy from trail rides that Wilson Johnson used to put on , all the way back to Grisset bridge.. I always noticed big, stout, nice horses.. And he rode a fine horse.! He was always nice to me.. Just B4 he retired, he was at magnolia in his police truck and I pulled up next to him and we talked for a good 15 minutes .. And I just mentioned to a friend yesterday that I wish he was still out there bc I liked talking to him..I will keep his wife and family in my prayers.. He was loved and will be missed...
