I used to go to a restaurant in Oak View or Ojai owned by I believe Jerry Etheridge. He had a daughter that took me there when I was about 19 or 20 year's old. That was 40 year's ago and he sure had some serious Elvis Presley sideburns. Must have been his idol as many were fans of Elvis. You were clearly a very kind family man, and I'm wishing your family members and friends to hold onto all the wonderful memories. I'm not being invasive, I was helping my friend find her biological father. That's how I retrieved family members. Take Care of each other, and peace be with all of you!
