“ *Brad was a student of mine at Enterprise High School both his junior and his senior years. He was one of the finest young men that I ever had the privilege to teach. He excelled in class and was a favorite of his classmates. His sense of humor kept me smiling and he was a joy to teach. My heart is broken and I will pray for God's love and comfort for his family now.*

“ *I worked at EHS for 35 years and saw many students come and go but I remember Brad well. He was such nice young man, always had a smile on his face and was willing to do anything he could to help. It sounds like he didn't change as an adult. My deepest sympathy to his family.*
