“ To the family of Mrs. Carmine, I was and still am a huge supporter of this beautiful lady's YouTube Channel she called NEVER TRUST A SKINNY COOK...I've cooked all her recipes on there and commented on all her videos. I knew she hadn't been feeling well for some time and had wondered if she was ok because I hadn't seen a video from her in a very long time. I never had the pleasure and honor of meeting her but I felt as if she was a dear family member to me as she reached my soul thru her great videos. The love for her family she spoke of in those videos were so beautiful I can tell she loved family and cooking more than anything. I'm so very sad to hear that she is no longer here in earth but I celebrate her life and legacy and take comfort in knowing she's in heaven now resting eternally with God and the angels. Family I'm praying for yall that God will continue to comfort and give yall strength during this difficult time and journey and I know she looking over each and every one of you all. Much love, much prayer and much comfort to you all. God Bless yall, Shira Leigh...Texas

Sweet Carmine, I can't begin to tell you how proud I am of you for all the faith and trust you have in our Savior, Jesus Christ. I will miss our special conversations we had and stayed on phone for a long time singing hymns and sharing thoughts of the past, but the most things I will always remember is our conversations about our Savior, how much we love him and I know we will be together again in heaven with Jesus, won't it be wonderful there, having no burdens to bear, home at last Carmine, rest in the sweet arms of Jesus. I love you. Sara Apostalo

“ Mom -

The time has come that we have both talked about and dreaded for sometime now. I can't believe that I will never be able to hear your voice again, never another laugh, never another song, never another I love you baby girl. I will forever miss the long talks, singing together and the smell of your perfume. I am broken inside and I will never be whole again. I love you mom... I always have and I always will.

“ My dearest Mom...where do I begin?? We have made some amazing memories lately and watching you ice my 46th birthday cake tops the list. I will be forever blessed to have spent last weekend with you and giving you that very long hug when I left last Sunday. What I wouldn't give to have your arms wrapped around me right now! It breaks my heart beyond belief that I will never see Roman give you sweet kisses. The only solace is knowing you are walking the paths of gold with Our Lord and Saviour. Rest High sweet Mom....please continue to be Roman and I's guardian angel watching over us everyday...Until we meet again...I love you so much!!!! ...xoxoxo
