“ Maggie and family I'm so sorry about chucks passing. In the 5 1/2 months I got to know and help take care of chuck, I got to learn how good of a person chuck was and I could see why maggie loved him dearly. He would always say the darnest things to me and my co workers to make us laugh. I'm sad that I only got to spend a short amount of time with them, but I enjoyed very moment of it. You'll always be in mine and my family's heart. With love the Weldon family
