“ My husband and I are the Geohagans from Perry, Florida. My husband, Tom is also a pipeline welder, and ironically friends from our hometown of Perry call him “Goat”. As a member of the “pipeline family” we extend prayers and strength for during this most difficult time. Sincerely, Nancy and Tom Geohagan

“ After working with Eric on several different projects for Ess in Pennsylvania he was absolutely a pleasure to work with and come to know. Eric was always willing to lend his hand to help with anything., my heart goes out to his family and loved ones on their great loss. All I can say is god must have been in need for a great person , hand and welder . He for sure has one now in mr Eric . He will never be forgotten.
