Written by Mr. Moore

My career extended over three Air Force Bases. These are as follows, Brookley Air Force Base, Mobile, Alabama from 1942 through 1952. I transferred then to Norton Air Force Base in San Bernardino, California. I was then transferred to Tinker Air Force Base in Oklahoma City, Oklahoma in 1966. I retired from Tinker on January 7, 1977.

During my tenure at Norton Air Force Base, I was promoted four times. The last four years I was there I was promoted to Chief of Production Control Division. The last two years were exciting as we were bringing all Atlas ICBM to Norton for storage.

During my time at Tinker Air Force Base I was assigned to two major jobs.

One being the Deputy Chief of the aircraft shop and as Deputy Chief of the jet engine overhaul facility two different times.

During my career at Tinker, I received two Department of Air Force awards. The first being for meritorious civilian service, for the time period February 1971, to August 1972. The second award was for exceptional civilian service for the period from September 1973 to February 1975. I was one of three employees nominated for Department of Defense Distinguished Civil Service Award.

He is survived by one Son, Federic "Fred" B. (Betty) Moore of Bratt, FL; two Daughters, Sara Margaret Bratt of Dothan, AL and Hope (Pat) Downey of Mobile, AL; eleven Grandchildren; twenty-three Great Grandchildren; seventeen Great-Great Grandchildren and extended family in Oklahoma.
