“Charlotte was a loving and caring friend. She genuinely had a heart of gold and would give you anything she had. She had a very happy spirit and always met you with a smile. I had the best times playing bunco with her because she was so funny. We loved her and Allen and she will be greatly missed by everyone that was fortunate enough to know her. Praying for God's peace and comfort for your family during this time. Per the family's request a donation has been made to the Breast Cancer Research Foundation in memory of Charlotte.
