Sending sincere sympathies and many prayers for comfort of family and friends. My nephew was the other driver. His mom was killed in a car wreck almost 8 months ago. All of our family has been praying for you all since this happened.

My most vivid memory of Chris was when Dana Ledkins got him to sing for me in my livingroom. Chris is no doubt in Heaven. He was in no way ashamed of his Jesus. Loved this young man...Chris, rest in peace buddy! You are free!

“ The first time I met Chris, he wanted to know if I had a 4 wheeler, I told him I did, and we hit it right off. He is one of the few people I know that rode his till the wheel's actually fell off. He was good hearted toward everyone, even if he didn't like you. He was a Church Musician and loved the Church and all the singing's, I personally had some good and bad time's with him, He was my step SON, He didn't hesitate to tell people that. I will miss him very much, But I know if anyone can make it to HEAVEN he's there! GOD BLESS YOU CHRIS!

“ Chris was a good person and will be missed very much. If there was ever a constant in a world full of change, it was Chris. You expected that he was always going to be around. He was a good example of what being a friend, family, and good neighbor was all about. Being a part of our immediate family, I never really looked farther out than our relationship. I'm sad that he's gone, but happy to see just how many other people's lives he touched.
