“ *Aunt Carolyn,*

As years have gone by and distance have kept us from visiting in person we still have many great memories. One of my favorite" When you and Uncle Dalton were in High school and I was 8 Uncle Dalton ask me if I wanted to go. I was thrilled so climbed on back of his motorcycle-terrified the whole ride! When school was over he gave me the choice of motorcycle or long bus ride....I choice the bus and never rode another motorcycle. May your faith and memories carry you through this difficult time.
