“ I am so sorry to hear about Freddie's passing. Freddie and I were not close . . . I knew the Boone family WAY back in the mid-80's, mostly through my best friend Mark Remick, but Mark was closer to them than I was. But we had some adventures together. I spent several weekend up in Little River with Matt and Freddie and Mark, and a bunch of other good ol boys from the Parkway. Those weekends were a complete blast. I also hung out with the Boones a bit down at their house, with Mark and others. I would saw Freddie over the years, after that, but not much. But I can tell you this: to me, Freddie always had a smile and a good thing to say. The same with Matt. There was never anything mean-spirited. Rest well, Mr. Boone. We will miss you.
