“ We went to visit Debbie and Glen to watch the first SEC championship game in 1992. Gators were about to end Bama'a undefeated season and chance of a national title until Longhand intercepted the and took it to the house. We all were jumping up and down cheering when Debbie said "oh my god, I just peed on myself". We had such a great time that weekend.

Not Longhand, Antonio Langam. (Not really important just don't like predicted text)

“ *Debbie always had a smile, always had a good joke to make you laugh. This is how I'll always remember her. Beautiful both inside and out. Sheena, I hope you will call me if you need anything. This is a great loss. She was taken way too young. I love my Flowers family. Even if we are far apart, you're never far from my thoughts.*
