“ Ms Jean helped take care of our mother Daisy Porter during her final years. All our family loved Ms Jean for the care and love she demonstrated toward our mother. We will always appreciate her.

“ I'm so sorry for the family's loss. Jean and my daughter...her granddaughter, Destinee Jean Sawyer, were very close through all their years together. And, I'm so happy & proud that I could be a part of making that happen. My daughter carries own Jean's beautiful blue eyes with my daughter's beautiful blue eyes. Though very hard at anytime to lose a loved one, the family and Jean were blessed with many years together. And, now happy memories to remember. I hope that brings comfort and smiles to their hearts. RIP Jean & God Bless. 💙💗💙

“ Jeanie and I are cousins although I love her like a big sister. One of my favorite memories of her was when I was little (maybe about 5 or 6 & she was about 11 or 12) she & aunt Eula & Grandma & maybe Jaonie would be over at our house & it would be past my bedtime. Of course I never wanted to go to bed. So she would crawl into bed with me & make up bedtime stories until either I fell asleep or she had to leave. She was the best storyteller! 😊 Even though I haven't seen her for a very long time, I will miss her so much. I love you Jeanie! 😞 Lawrence & Tom, I send my condolences as does my sister Kay. We love you Joanie & Ray & Janet & Bill!
