“ *Earline Hayles was the cornerstone of Lottie! She didn't say call me if I can help! She was always there ready to help! She was a good friend to my mother, Lillie Presley, and my best friend! She taught me how to quilt. For which I'm very grateful! I miss her but the best part is I'll see her again someday! Love and prayers to the family!*

“ A woman, along with my mother, I learned to admire greatly! Those two were ALWAYS interested in something! Whether it was quilting, digging up old bottles, making ceramics, or sharing books, they were role models of life-long learning. She was a good friend to my family and a wonderful cook! I will miss her! The Lottie community has lost a treasure. Love to her family!
