“ *She was one of the finest ladies that I have ever known. My first job was at Vanity Fair in 1994. I was 19 and terrified. She took me under her wing and trained me and then became my friend. I stayed in contact with her even after she moved via Christmas cards and letters until I lost her address 10 years ago. I loved her and I always knew that she loved me.*

She was a sweet, kind soul
