Tribute Wall

LD

“ Skippy was a good wife to my Daddy for many years and I will forever be grateful for the love she had for him and our family. Her children Jeff and Tinia are our brother and sister for life. We never have called them step brother and step sister but brother and sister. They will forever remain family as long as we live on this earth. Her grandson Bo is my grandsons father and I will forever be grateful for having them in those boys life.
