“ My Wife and I took Mrs. Effie to her surprise birthday party a few years ago. We had a great time, we picked Mrs. Effie up to take her out for her birthday sense no body was doing anything for her birthday. Donna told her I needed to talk to a man and it would take a few minutes. We turned down the road to Sherry's and Donna asked her don't you have a daughter live around here. As we pulled up Mrs. Effie seen they were having a party and was upset that they would have something and not invite her. We love you Mrs. Effie you will be missed. Doug and Donna
