“ I remember Little Granny would always like to drive us around town. We would go to get her hair done at Hooties. I would usually get a trim myself. After that we would call Granddad and ask if he wanted anything from McDonald's. Of course he always did. We would go through the drive through and then on the way home eat all of his fries.

I loved just being around Granny. She always had a smile on her face. Her smile and laugh was contagious. She always knew how to make you feel better, by telling jokes or just by talking to you.

Granny, you are going to be dearly missed. Just know that you had a part in your grandchildren's lives and I know that it for sure helped define who I am today. I love you and miss you.

Forever, Lexi.
