“ *Mother it's been almost a year and I still can't wrap my head around this. I hit rock bottom and just didn't care about life until I remembered what you said. I will always be honored to say you was the BEST grandma a girl could ask for. You've done a lot for me and I'm great full that I was able to come in and care for you I wouldn't have changed it. Please keep watching over us. We love and miss you always and forever*
