“ To know Ms. Joann, was to love her. She always had the biggest smile on her face. I had the privilege of working with her as an employee of Windcreek..
Not one guest that came in those doors not ask about her if she wasn't there. She was such a delight to know and love as a friend and a Co-worker. I will always carry the memories we shared with me and always hold the love I have for her within my heart. She will be greatly missed.

My memory was of a beautiful young lady I met at the old Monroe County Coliseum! We were teenagers then. Her personality was off the chart. Just yesterday I learned of her passing.

“ Was a sweet, energetic lady who lived with her family on Carney Street. I lived in garage apartment, literally in their back yard! She was a sweet lady, and I know she will be missed!
