“ Our parents were best friends so from the time I was born, Gail was "family". Her and my sister were best friends and I have found memories of our families together. Fly high and soar with the angels.

“ I always did love hearing Ma talk about her family and also their heritage. Every year we watched The Ten Commandments...I had been watching as far back as a child and so had she ..so one year not too long ago I had fallen asleep watching Ten Commandments. She gets up the next morning and says, “ But u did not get to see the Pharaoh let my people go.” It was so heartwarming and funny at the same time. Every since then I do my best to stay awake to see her people exit out of Egypt. Oh how I am going to miss my little old Jewish lady❤️
