“ *Ronald and Family*

I am so sorry for the loss of your wonderful Wife/Mother/Grand Mother. My first knowing of you and Narvell is back as a child, I went to your home in Bratt with Rosemary. I was her only sister/tag along she had. I have loved and looked up to her my whole life. Ronald you had/have a wife/sister good as gold. I surely miss Rosemary but I have visited her several times in the last 26 years that we have lived in TN. I know the last time I talked with you was at Paul's funeral. The last time I saw and talked with Narvell, y'all stopped and visited Jerry and me at 84/21 in Monroeville. That reminds me cross hwy 21, Jerry and I used to eat some fine Flounder with Jackie. Wish I had another flounder plate. Ronnie, I know you are going to have some long and lonely days ahead of you. You will be in our prayers and I know if Rosemary can make the trip, she will be visiting you.
