Tribute Wall

BM

“ I have many fond childhood memories of James Harold. I can still see him jumping down from the hay loft in the old barn, and thinking he could get hurt, but he did not. I remember eating fresh figs in the tree as we surveyed the farm from above. We had biscuit eating contest, also, he won, but I gave him a run for his money. Sending love to Peggy and his brothers, and all his family. May he rest in peace.
