“ When Roman Perrelli was 3 years old, Jeremy's Daddy Larry Sprinkle, and I took him to a Christmas Parade. Roman was sooo excited because Santa was coming!
We took the opportunity to go see Jeremy who was as always ... Working.
I'll never forget how hilarious it was when Jeremy asked Santa as his Co workers lifted the bench atop The fire truck, "You're not afraid of heights are you Santa Claus"? His face as serious as the question. I cracked up laughing as well as Santa and everyone within ear shot.
Jeremy was always the 1st responder 1st.
And comedian. He made people laugh when laughter seemed impossible.
He will be so so missed by this entire world. He was one of a kind.

“ It’s so hard to pick just one story, all of our memories will be cherished. Thank you Jeremy for being a great friend to John, a great mentor to Ben, and sharing your friendship with the rest of us. You helped my mom when she was so sick before her liver transplant, you would help her when she would fall. You helped watch over and guide Ben ever though he was taller and bigger than you! I know your rounds of horseplay at the fire station will never be forgotten. Thank you for sharing your wonderful family with us too. We would love the visits you guys made to East Tennessee. Those were special and will be missed. You will forever be in our hearts. We wish we could be there, but know Amber, Andi, and Abby Kate you are in my thoughts and prayers, always!

All of Our Love,
The McCreary Family
