Tribute Wall

“ We are sadden to hear that a family member has passed over, so our condolences to Mary, their children and grandchildren, Lee Edward and Jean, David Lee and Janice and all of the family. J.W. was an older brother to me, with a heart of gold and I dearly respected him. I wish only that I would have had more time to spend with him and all of our family. We have lost so many of our family, and as time goes on we should come together as much as possible, just like in the old days. He would want for us to carry on with our lives and share our hopes and dreams for better days.

God bless,

L.D. Nichols & family in Germany
