“ I have not had a connection with Leisha for many years because I live in Oregon. I visited the nursing home to see her several times with my sister Sarah when I was in Atmore. When Leisha was about 9 or 10, she went to Disney World with us and sang most of the time in the car. It was a great trip. I think of her as a really sweet person. I 'm so sad that she had many difficulties in life, but feel that one day I'll see her in Heaven with a new body and perfect peace.
