“ I will always remember Uncle Leonard. He loved to hunt and fish. He liked water skiing, and taught me the sport. He enjoyed watching baseball games. If there was a game on tv, we, as kids, would be anxious for the game to be over, so that we could ski. Uncle Leonard had vegetable gardens and fruit trees, any loved sharing with family and friends. He enjoyed spending time at his river camp fishing. Uncle Leonard loved square dancing, and was very good at it. We loved him, and will miss his smile and humor. David and Cynthia Huggins

You are so right Cynthia! Uncle Leonard was a wonderful family man that I loved! I remember all of those great times with him on the river, too! I have never heard anything but good about him. He was always smiling and had a special knack of making everyone feel comfortable around him! My sincere condolences to all of his family 🙏🏻🤝
