“ Aunt Annette had the best laugh! You'd have to giggle with her when she giggled. When my sister, Elaine and I (Rose) started school one year, the list of supplies we needed called for scissors. She told our Maw Maw, (where we were living at the time) she'd get the scissors for us. She brought us 2 pair of the best scissors and little did I know at the time how great they were. I still have them from this day! BOTH pair. She was so precious and the kindest lady on the planet! I love her dearly and will miss her more than I can say. I love you Aunt Herty!!!
