“ *Madison, I have loved you since you were 9 years old. It was such a blessing to be your babysitter/caregiver while your daddy worked. You brought so much joy and happiness to my life. In my heart, you were my daughter. I will always remember driving you and Dakota around, singing as loud as we could, baking cookies and peanut butter balls. I hope you know just how special you were to me and how much I truly loved you! You will always be remembered and always have a very special place in my heart.*

Love you always, Ms. Becky,
