“ We grew up together ,living next door to each other not only was we first cousins , we was all like brothers and sisters ALWAYS together every day running the woods, running to the creek ,wash hole ,but ALWAYS doing something we was family, loved being a part of his ,very hard having to see him sick, enjoyed the Visits I shared with him, being able to cook some things he wanted to eat ,even having to feed him knowing he was enjoying being able to eat..
We will be missed Marcus..love you ALWAYS
