“ There is so many things I could I say about my daddy but he touched so many peoples lives . He was the kindest and loving person . He's help anybody he could give the shirt off his back if he needed to. He could go anywhere and there would be someone there that knew him . He lived to pick and joke around with everybody . I'm going to miss his 6am calls just to see if I was awake .. I love you daddy and I will forever miss you

*I knew Marion growing up in poarch as a child. Him O'Dell and Marlin The Thead's boy's. At a very young age we moved from Atmore, Alabama to Pensacola, Florida were I had lived most of my growing up year's..*

*But year's have passed and I started getting back in touch with some of my family members and friends.. And of course about everyone knew everyone in that small town.. Especially Marion and O'Dell you would also see them at someone funeral.. that's how special they were and very respectful 🙏..As a person growing up I knew alittle about his mom and Gerdine I loved her to. I remember the last time I saw her was at Atmore nursing home..I had stopped off to see a friend and saw and spoke to her to..*

*I would always see Marion alone side the road working...I would always wave and of course he would wave back..*

*My memories of Marion will always be inmy heart ❤️ And the song that he wrote should be a blessing 🙏 and a memory for all that loved him ❤️*

*Mr Marion, and Mr O'Dell and Mr Obie were friends and distant relatives of my daddy. My brother Junior and his wife played music along with my daddy Curtis. I'm so sorry about his passing. I just found out as I live in different state. He was there for us when we lost daddy 3 years ago and he was a good friend and will be missed by many. Praying for all. Kathy Rackard*
