“ In the 3 years I knew Ned after he moved to Vidor we became good friends. He had a goofy side, he had a quiet side as well. But he also had a very sweet and thoughtful side that not everybody got to see. I truly feel fortunate that I was one of the people who Ned shared that side with and genuinely endeared him to me. The guy was great with cars, motorcycles and 4-wheelers.....and if it weren't for his help with my car I'd probably be walking around today instead of driving. He helped me replace the fence around my mom's yard back in 2019 and wouldn't accept any money for his help.....he just did it out of kindness and that made quite an impression on my mom. It saddened her deeply to hear of his passing. I will truly miss my friend and I hope to see you again one day on the other side brother.

“ *He made me laugh when I was wanting to cry.
He cut through the bull and told me what I needed to hear. He was
honest at heart. He was sweet. I almost peed myself laughing at
one of his jokes. He will be missed* 
Rest easy!!!!
