“ I was thinking about Patty yesterday and this morning.. I posted on Facebook the video of us all having dinner.. she was all in my mind .. weighing on me heavy... and I just realized she died October 27th.. two days ago ...she was trying to let me know she is with us...telling us hello.. she misses us all I'm sure and we miss her

“ Prayers for everyone that knew Patti. First time I met her was at my cousin Sonja's house. I was much younger..... They would dance, do each other's hair, laugh- so much fun to be around. Now she's in heaven laughing dancing and having the best time of her life looking down on each one she left behind. When you think of her smile, dance, sing even if your off key.
