“ *We miss you so much, You were always a light in the dark and I'm Thankful we had you in our lives the last 19 years. We're gonna miss visiting, spending time with you, laughing and sometimes crying together but through it all there was a bond that true friends share and even though you left that bond will never be broken. Love you my sweet friend* 🧡

“ *I am so sorry to hear the news of Becky. She really and truly had a heart of gold. She helped me so much with things around my house when I was dealing with health problems myself. She was always there to help. She always talked about her kids and how they are her world. She will be truly missed!*
