Robbie Lynn was the one who delivered my mail! I have lived in Atmore since 1970 and this lady was definitely the best at her job! She always had a smile no matter how tough the day! I remember well my last conversation with her! I told her to just throw those boxes from Amazon towards the house and stop getting out walking to the door! I told her she looked like an Amazon delivery truck! She laughed and said I feel like one too!

She was definitely an asset to the US Postal Service! I just cannot believe she is gone! One beautiful inside and outside gone too soon for us! You will be missed so much my sweet friend!

When I got the news of the passing of one of Atmore's carriers passing, I hated to hear it but I was hopeful that it wasn't you. Ms. Robbie was a genuine lady in her personal and professional life. She delivered my mail and during my time with the Flomaton police department I had the opportunity to meet some of her family members. She will truly be missed. My family and I send our deepest condolences.
