“ My name is Dr. Bill Bomar. When Unity Baptist Church was still worshipping in Canoe and long before the Dr, I came to the church as Minister of Music which grew to four choirs and a counseling practice. I owe much appreciation and love to Roy who was the Chairman of the Deacons. He was always honest, straight forward, helpful, and spiritual. I know he is now walking the streets of gold. With this comes my love for Roy and all the family.
