Paulette was born on January 20, 1945, in Florida to the late Robert Paul and Cassie Merle Morgan Killam. She graduated from Massey-Draughon Business College in Montgomery and began her career working for James L. Rouse Jr. at Rouse Motors, Inc. in 1964. She worked for two Federal agencies beginning with the Internal Revenue Service and then retired later from the U.S. Attorney's Office, Middle District of Alabama in 2011. When her friends and co-workers celebrated their birthdays, she baked their favorite birthday cake or pie for them. Known for her kind heart, she never met a stranger and always found a way to spark a conversation wherever she went. She enjoyed dining out with her closest friends and made it a point to serve others every chance she had. Paulette

“ *It is with great joy I celebrate the life and eternal life of Paulette. As children growing up we didn't see much of each other. As time moved on Paulette and I kept in touch. I used to go by their house in Montgomery, AL and visit in 1976 . Kelli and Brent were still at home and we would, of course, eat, talk and laugh. Paulette and I would try to attend Killam reunions and funerals and catch up. Later we started calling, sending family pictures and she would talk and I would jump in when she took a breather. She was the only one in the Killam family that I could talk to and learn who was where and what they were doing. Some of our best conversations were about memories of our families. She loved her mom and dad and the Century area where she grew up. I will miss her so much, but she has joined the Lord in Heaven. It brings joy to my heart to know she suffers no more in the arms of Christ. I love you, Paulette.*

“ Paulette was my Aunt Bobbi's college friend (they have been friends for over 61 years). I enjoyed Paulette and considered her my friend too. She was always so vibrant and fun to be around. We (Aunt Bobbi, Mom, Paulette, Peggy, and I) arranged to meet at the Atmore Casino for lunch. Paulette and Peggy got lost coming from Century because of a detour. Paulette called and I got on the internet and directed them to where we were waiting. (I was starving). To hear Paulette's story, they had been lost for days, and days and both her and Peggy were busting at the seams. To hear Paulette and Peggy go on and on and on about their Gillian Island adventure was quite amusing. I was so enthralled with their flight, that I bought Paulette a wall clock that read "Detour" with detour signs on it that she had hanging on her kitchen wall. She will be missed greatly, and GOD has gained an angel.
My thoughts and prayers go out to her daughter and family.
