### A Life Full of Love, Creativity, and Family

We are deeply saddened to announce the passing of our beloved sister, aunt, and friend. A devoted widow who dedicated her life to her family and found true joy in caring for those she loved. Her greatest happiness came from spending time with her cherished nieces and nephews, whom she affectionately called her babies.

Known for her incredible talent and creativity, she had a passion for sewing and making beautiful things by hand. Whether crafting quilts, clothes, or special gifts, she poured love and artistry into every stitch. Her home was always filled with warmth, laughter, and the comforting hum of her sewing machine.

Her legacy of love, kindness, and creativity will live on in the hearts of all who knew her. She will be deeply missed by her family, friends, and especially her precious babies, who will forever remember her hugs, stories, and handmade treasures.
