“ This is Richard Sunday. Tim was, along with my cousin Joseph, and friends Mike Bush, Marty White, and Eddie Cleveland a crew at CHS. Jimmy and Darrell, Blue Devils from Atmore were friends, too. And Joe Walston and his SS El Camino.

Tim had the best ghetto blaster in Century, and the best taste in music of anyone I knew.

He was a friend and stood up to bullies and punks like Jeff Robinson and Lavon Wright and horrible, horrible teachers like Ms. Jones and Ms. Jernigan. Especially Ms. Jernigan.

I love you, man.

“ Susan and I were friends in high school. She was a good friend and since then, when we saw each other, we would hug and talk forever. To her family, please know that my prayers are with you. Wanda Hughes

My comments that were written last night are missing, so I'll resend. Susan and I were high school friends. This June she connected with me on Facebook. We met and had a wonderful day. I want to share with you just how sweet, kind and generous she is. We had talked about albums we had played together as kids, she made me a cd. While shopping I had admired a dress, later she gave me the dress because it made her happy. I'm so grateful for our time together and will be saddened at the loss of future memories. May God bless her family and friends. Carolyn Matheny.
