“ Tammy and I went to high school together. She was one of the first people I met. I moved to the USA from Germany. I have not seen her in many years but we were friends on Facebook. I'm so very sorry to hear about her passing. Condolences to her family. She was a wonderful lady. May she Rest In Peace.

“ From 2005 to 2008 Tammy, Pernell and I worked together in Marianna, FL. We became fast friends and enjoyed many barbecues and good times. Tammy and Pernell treated me like a brother, a son, and a lifelong friend despite our short time together. I have not kept up with them in the past few years, to my deep regret. It's a reminder that life is short and we should slow down and show more appreciation for the wonderful people that touch our lives. Sadly I cannot be present to pay my respects to Tammy and her Family and Friends. Gone but not forgotten. Thank you for your patience and dedication and the fun that we shared working together as a team.

“ Even though we never got the chance to meet, we became very good friends. One day back in January, we were talking and I said told her something. She said that sounds like anxiety. She said I could go to doctor and get meds. I said I would go. She was so happy I went and got meds to help me. Tammy, you are one of the best friends I ever had. I'm going to miss you so much. I love you my sweet friend.

“ *There were almost no other kids at my school who I spent the night with, but I would occasionally spend the night with her daughter Amber. Her home was a warm and welcoming place where I made memories that I still value today. She was a good person and will be missed.*
