LP

“ Desmond was a classmate and good friend of mine. Our families grew up together. His children and mine, playing, clowning and making us laugh. I was never around Desmond that he didn't have that BIG OL SMILE on his face. I always enjoyed the times our families could spend together and will never forget the memories made. You will be truly missed my friend. To your children, I am here for you if there is ever ANYTHING that I can do for you. Prayers are lifted for you and your family.
