*I Just want to send our condolences to The church and Sis Velma's family. She was a special lady that I thought so much of. It seemed she always had that smile on her face. I'm thankful we have an assurance where she's now headed to be in the presence of her Lord and Saviour.*

*I am so sorry about Velma. Eddie and I both thought so much of her. I am sorry I could not go with Eddie to the funeral but I have been laid up with a bad case of shingles for four weeks now . In my last of my 23 years at Poarch Velma served on my Environmental Committee which meant a lot to me. Also, one year when I was one of the ones that was scheduled to attend a USET meeting in one of the Northern States and Eddie went with me. Also Velma and Eleanor went along with Helen, their sister. Eddie rented a car and had no interest in staying there the whole week so we found out Velma and Eleanor had come along with Helen so when Eddie and I found out, we invited Velma and Eleanor to go on a sight seeing trip with Eddie while Helen and I had to attend our meeting. They traveled all over even to Niagra Falls for the rest of week. Eddie was sooooo glad they went along with him and memories he will never forget of all the fun and laughs they had. Rest in Peace sweet Velma!*
