“Willie, you and I shared a lot during my trips to FL/AL and my desire to explore more about my BOZES life/family whether you chose to or not (always so supportive). Through that journey, I got to witness you and Rose experience life to the fullest ... a wonderful life full of love, faith and children. You guys set the example of what I wanted in my relationship in the future: someone loving, kind, understanding and knew his wife was everything (Rose was the love of your life). You were always a great father and husband and my beautiful cousin Justine Rose was blessed to have found you (the man of her dreams)!

May your heart and soul rest in peace!

Thanks for everything...
