“ *We have never met but I found this out through some Rock of Ages Friends. I know words are empty right now. I am not for pat answers. I am saddened that you have experienced this huge loss in a short amount of time. We can't understand why God does what He does. A Pastor shared with us lately that even when you are in your worst time of your life God Loves you. We may not understand His Hand but we can Always Trust His Heart. Trust Him when your doubt seems stronger. Trust Him when your faith seems small. Trust Him when simply to trust Him seems that hardest thing of all. Lifting you up in prayer during this difficult time. Mary Johnson. Missoula Montana.*
